CHILD SAFE ENVIRONMENT POLICY (Victoria)

Our Service is committed to the safety, wellbeing and support of all children and young people.

Management, staff and volunteers take every reasonable precaution to protect children in our care and treat all children with the utmost respect and understanding at all times. We are dedicated in promoting cultural safety for Aboriginal children, cultural safety for children from culturally and/or linguistically diverse backgrounds and to providing a safe environment for children with a disability

Our Service embeds the new Child Safe Standards (VIC) and promotes a culture of safety and wellbeing to minimise the risk of child abuse or harm to children whilst promoting children’s sense of security and belonging.

We acknowledge that staff within an early childhood service are in a unique position to monitor behavioural and emotional changes, physical injuries, and the general wellbeing of a child due to the development of safe environments and trusting relationships with children and families. Our staff are trained to identify signs and behaviours that may indicate child abuse and thoroughly understand their obligations and responsibilities to respond to incidents, disclosures or suspicions of child abuse as mandated reporters.

Our Service takes a ‘zero’ tolerance approach to child abuse and are committed to raise awareness about the importance of child safety in our environment and the community.

‘Keeping children safe is everyone’s responsibility.’

IMPLEMENTATION

Under the Education and Care Services National Regulations the approved provider must ensure that policies and procedures are in place for providing a child safe environment and take reasonable steps to ensure those policies and procedures are followed. (Regulation 168, Regulation 170). The National Law requires management to ensure all children being educated and cared for are adequately supervised and every reasonable precaution is taken to protect children from harm and any hazard likely to cause injury.

Our focus is to build a child safe environment which is reflected in our Service policies and procedures and understood and practiced by all educators and staff.

OUR COMMITMENT TO CHILD SAFETY

Our Service is committed to safety and wellbeing of all children and young people. We understand our responsibilities and statutory duty of care to comply with both the Victorian New Child Safe Standards and the Reportable Conduct Scheme to build our capacity as an organisation to prevent and respond to allegations of child abuse. We have a dedicated *Child Safety and Wellbeing Policy* which explains our service's approach to meeting the Standards.

Our Service has a zero tolerance to child abuse, and we are committed to the safety, participation and empowerment of all children. We ensure all staff, educators, volunteers and students have undertaken current child protection training and understand their obligations as mandatory reporters. We promote diversity and tolerance and aim to form equitable and positive relationships with children. We ensure children participate in decisions affecting them and listen and respect their suggestions and ideas. We respond to any concerns, disclosures, allegations or suspicions of harm.

Our Service strongly opposes any type of abuse against a child and endorses high quality practices in relation to protecting children. All staff understand their roles and responsibilities in protecting children from abuse and neglect and maintain up-to-date knowledge of child protection law (Reg 84). Staff will undertake child protection awareness training every 12-24 months, and whenever significant changes are made to the child protection law or reporting requirements. Staff, educators, visitors and students will comply with our Code of Conduct at all times.

COONARA EARLY LEARNING CENTRE POLICY NO: 5

We are committed to diversity and welcome all children and young people regardless of their abilities, sex, gender or social economic or cultural background. Our Service will not tolerate bullying or harassment and our *Behaviour Guidance - Bullying Policy* and procedure outlines the preventative strategies and supervision implemented by our Service to deal with bullying and help protect children. Our priority is to ensure the safety and wellbeing of children and young people and encourage positive relationships.

All staff and educators participate in robust interviews and have reference checks completed to ensure the applicant's suitability to the role, previous experiences and their commitment to child safe values and practices. All staff and educators are provided with a comprehensive induction process which outlines our Code of Conduct, current policies including Child Protection, Child Safety and Wellbeing, Reportable Conduct Scheme, Work Health and Safety Policy and other related policies to ensure a child safe environment. [Primary policy – Recruitment]

VICTORIAN INSTITUTE OF TEACHING REGISTRATION AND WORKING WITH CHILDREN CHECK

Working in conjunction with the *Child Wellbeing and Safety Act 2005* and National Regulations, the safety, welfare and wellbeing of children is paramount within our Service and community. Victorian Institute of Teaching (VIT) Registration or a Working with Children Check (WWCC) are a requirement for people who work in child-related work. It involves a national criminal history check and a review of findings of workplace misconduct and child protection concerns.

COONARA EARLY LEARNING CENTRE POLICY NO: 5

All registered teachers are exempt from needing a Working with Children Check (WWCC). The result of a Working with Children Check is either a clearance to work with children and is valid for five years, or a bar against working with children. Cleared applicants are subject to ongoing monitoring and relevant new records may lead to the clearance being revoked.

The Approved Provider or Nominated Supervisor will ensure that they have checked the currency of each person's VIT Registration online. Management is responsible for the periodic review and maintenance of up-to-date records of an employee's VIT registration.

The Approved Provider or Nominated Supervisor will ensure they have read each person's Working with Children Check before engaging educators, staff or volunteers in the Service. Management is responsible for the periodic review and maintenance of up-to-date records of employees' Working with Children Check, including the Working with Children Check number and the date on which each clearance expires.

Management will verify all student and volunteer WWCCs prior to placement. Any visitor who has direct contact with children will be required to provide a WWCC for verification prior to coming into contact with children. The approved provider will keep a record for each day a student or volunteer participates in the service including date and hours of participation.

[Primary policy – Child Protection, Recruitment, Staffing Arrangements, Student, Volunteer and Visitor]

CHILD PROTECTION

Children and young people always have a right to be safe and protected. To comply with legislation and ensure a child safe environment, all educators, staff, volunteers and students are advised of current child protection law and understand any obligations under the law. Supervision is effective to ensure they understand that *child safety is everyone's responsibility*.

All management (with direct contact of children or young person), educators and staff are mandatory reporters and have a legal obligation to make reports if they suspect on reasonable grounds, a child is at risk of significant harm. Neglecting these obligations could potentially be deemed a criminal offence. All staff are provided with up-to-date training about child protection law and their obligations under this law and to ensure they are confident in following the reporting guidelines within Victoria and adhere to our *Child Protection Policy*. (Reg 84). Through continual education and training, educators and staff are equipped with the knowledge, skills and awareness to keep children safe. Training gives educators and staff confidence to identify, respond and report child abuse. Nominated supervisors and persons in day-

to-day charge must complete a course in child protection approved by the Regulatory Authority on an annual basis.

To protect children and young people and ensure their safety, welfare and wellbeing, management is responsive to report allegations or convictions of harm or risk of harm to a child or young person and child related misconduct by any staff member, educator, volunteer or contractor.

[Primary policies – Child Protection; Child Safety and Wellbeing; Reportable Conduct Scheme]

REPORTABLE CONDUCT SCHEME

The Reportable Conduct Scheme seeks to improve organisation's responses to allegations of child abuse and neglect by their employees and volunteers. The Approved Provider must notify the Commission for Children and Young People (the Commission) about any allegations of misconduct involving a child.

Reportable conduct applies to all employees, volunteers, students (over the age of 18) and contractors at our Service.

Our Service will ensure an appropriate level of confidentiality of information relating to the reportable allegations as per the Children's Guardian Act 2019. We take our legislative responsibilities as part of the Reportable Conduct Scheme seriously and will respond to any reportable allegation or conviction against employees or volunteers that may arise.

As an Information Sharing Entity our Service is obligated to share confidential or sensitive information about a person with other ISEs to support safety and wellbeing as part of the [Child Information Sharing Scheme](#) and the [Family Violence Information Sharing Scheme](#) and [MARAM reforms](#).

[Primary policy- Reportable Conduct Scheme (VIC)]

Our Code of Conduct Policy clearly outlines expectations regarding behaviour and describes the principles, values, and ethical guidelines that guide our staff and stakeholders in their interactions and activities. All educators and staff members are made fully aware that following breaches of the Code of Conduct and role responsibilities may result in disciplinary action which may lead to termination of employment. Individuals can report any concerns they may have about inappropriate actions of any

REPORTING AND RESPONDING TO GENERAL COMPLAINTS

Feedback from children, families, educators, staff and the wider community is fundamental in creating an evolving Childcare Service working towards the highest standard of care and education. We ensure educators, staff, volunteers and students are well informed about the different ways children may express concerns, distress and disclose harm as well as the process for responding to disclosures from children- including a complaint that alleges a child is exhibiting sexual behaviours that may be harmful to the child or another child. (ACECQA 2023)

We aim to investigate all complaints and grievances with a high standard of equity and fairness. Our Service believes in procedural fairness and natural justice that govern the strategies and practices, which include:

- The right to be heard fairly
- The right to an unbiased decision made by an objective decision maker
- The right to have the decision based on relevant evidence.

[Primary policy – Dealing with Complaints]

PHYSICAL ENVIRONMENT – SUPERVISION AND SAFETY CHECKLISTS

Children’s safety is embedded in our day-to-day practices. We ensure effective and adequate supervision is provided to children at all times at all times consistently, while ensuring educator to child ratios are met at all times. Educators will employ ‘active supervision’ strategies within the service environment and when participating in excursions or transporting children. Consideration will be made for the different ages and abilities of children and the activities that may require different levels of supervision.

Consideration will be provided when older children are using the toilet and bathroom areas, including monitoring and supervision across all areas that children access.

Through conducting risk assessments, we assess and manage risks in the physical environment collaborating with children to develop behaviour guidelines for play including adventurous play to ensure their safety. Educators have a sound understanding of their duty of care and responsibilities in ensuring a child safe environment.

COONARA EARLY LEARNING CENTRE POLICY NO: 5

Educators conduct regular safety checks to maintain basic standards of safety within our Service. We believe that child safety is a shared responsibility at all levels within our Service. Children are encouraged to speak up about their safety and the safety of their friends by telling an educator if they feel unsafe in a particular situation or environment.

Educators will complete the following daily checklists to assist and record inspections of the physical environment where foreseeable risks may be evident and cause harm or injury to a child:

- outdoor safety checklist.

Any findings that require attention will be either dealt with immediately or submitted into the maintenance book depending on priority.

STORAGE OF HAZARDOUS SUBSTANCES

We reduce the risk of harm to children and educators by using eco-friendly products. Our Service will endeavour to provide a safe environment where necessary chemical and hazardous equipment are safely stored away from children and handled appropriately.

Management, staff and educators will keep a register of hazardous chemicals used at the Service, including relevant Safety Data Sheets (SDS).

EQUIPMENT, FURNITURE & MAINTENANCE RECORD

There are several factors that can contribute to a hazard, such as a deprived program, insufficient supervision and dilapidated equipment. To ensure a child safe environment free from hazards, our service has implemented practices and continue to monitor Service policies and procedures that uphold Australian Safety Standards.

The premises and all equipment and furniture used within the Service are audited to ensure all aspects are safe, clean and in good repair. We understand that hazards are specific to developmental stages; educators are aware that toys and equipment need to be checked to ensure they are safe and developmentally appropriate for children. Regular checks occur within the Service to ensure that all toys, furniture and equipment are in good condition and working order.

COONARA EARLY LEARNING CENTRE POLICY NO: 5

RISK ASSESSMENT & RISK ASSESSMENT TOOL

It is a legislative requirement that Management, staff and educators implement a risk management system where they identify and manage hazards and risks within the workplace to ensure a child safe environment. The key principles of risk management include:

1. Identifying all hazards or potential hazards in the service/residence/venue
2. Assess the risk of harm or potential harm for each hazard
3. Control or manage the risk – Risk Rating Matrix
4. Monitor and improve safety – Risk Assessment Action Plan
5. Evaluate and Review

It is the responsibility of all staff and educators at the Service to complete a risk assessment where children's safety may be jeopardised and when organising an excursion/incursion or any transportation of children. Children's safety must be incorporated into everyday practice within the Service. Common hazards within the Service which may require a risk assessment include:

- cross-infection and infectious disease

EMERGENCY AND EVACUATION PROCEDURES

Management will ensure that copies of the emergency and evacuation floor plan is displayed in prominent positions near each exit of the service premises, including indoor and outdoor learning areas.

All staff and educators are familiar with emergency evacuation procedures and regulatory requirements. Rehearsals for emergency and evacuation procedures, including lock downs, are conducted at least once every 3 months. Records will be kept for all rehearsals.

[Primary policy- Emergency and Evacuation]

ARRIVAL AND DEPARTURE AUTHORISATION

Our Service prioritises children’s safety at all times. Staff and educators will only release children to an authorised person as named on the child’s enrolment form. Management request families provide current court orders, and parenting plans to ensure our records are up to date.

COONARA EARLY LEARNING CENTRE POLICY NO: 5

National Regulations require our Service to keep a record of children and visitor's arrival and departures, with the signatures of the person responsible for verifying the accuracy of the record and the identity of the person collecting the child.

Educators will work in collaboration with our *Delivery of Children to and Collection from an Education and Care Service Premises Policy* and *Student, Volunteers and Visitor's Policy* to ensure children feel safe and secure.

To ensure children's safety, educators have a clear understanding of their legal obligation to check identification when a person is collecting a child. To maintain compliance, parents and educators will complete an alternate collection form if they authorise a person who is not on their emergency contact form to pick up their child.

[Primary policies - Delivery of Children to and Collection from an Education and Care Service Premises; Student, Volunteers and Visitors]

CONTINUOUS REVIEW

To ensure we maintain a culture of continuous improvement, we will ensure our child safe practices are regularly reviewed, evaluated and improved. We aim to ensure all educators, staff, students and volunteers understand and effectively implement our policies and procedures to provide a child safe environment at our Service.

We will regularly review and monitor the effectiveness of our Child Safe policies and procedures and invite children, staff members, families and communities to contribute to their development.

Any updates or revisions will be communicated to all stakeholders. Our *Child Safe Environment Policy* will be reviewed on an annual basis.
