## PURPOSE

Being part of our Service entails a position of trust and responsibility. We aim to ensure that our Service, children, educators, and/or families are not compromised in any form on Facebook, or any other social media platform and that all social media usage complies with our Service's philosophy, relevant policies, and the code of conduct.

## SCOPE

This policy applies to children, families, staff, educators, management, approved provider, nominated supervisor, students, volunteers and visitors of the Service.

## IMPLEMENTATION

Social media is defined as *"forms of electronic communication (such as websites for social networking and microblogging) through which users create online communities to share information, ideas, personal messages, and other content (such as videos)"* (Merriam-Webster dictionary).

We recognise that there are many advantages in using social media to network within Service operations. It is important to approach usage with caution, through careful and systematic management. Whilst healthy debate may provide thought-provoking discussion, there are guidelines in place to ensure that our Service remains open and welcoming for children, families, and staff.

The National Principles for Child Safe Organisations recognise the importance of safe physical and online environments to promote safety and wellbeing of all children. Our Service has the responsibility to ensure children and educators are protected from harm when they engage with digital technology including social media.

This policy applies to all forms of social media including (but not limited to):

- Social networking sites e.g., Facebook, Twitter, LinkedIn
- Image sharing sites e.g., Instagram, Snapchat, and Imgur
- Music/dance videos e.g., Tik Tok
- Video hosting sites e.g., YouTube and Vimeo
- Community blogs e.g., Tumblr and Medium

## COONARA EARLY LEARNING CENTRE POLICY NO: 63

- procedures are followed regarding safe storage and restricted access of images and videos of children

### PERSONAL SOCIAL MEDIA ACCOUNTS

Staff members are to use their own personal discretion when adding a family of the Service as a 'friend' on Facebook or any other social media. The Service does not recommend that staff add families of the Service to personal social media accounts as they will still be seen as a representative of the Service and required to uphold the Service's Code of Conduct on all posts. It is extremely important not to post information about the Service, colleagues, children, or families on personal social media accounts, as this not only contravenes the Service policies and *Code of Conduct* but is considered a breach of the Commonwealth's *Privacy Act 1988* and *Privacy and Personal Information Protection Act 1998*. Families are asked to respect that staff may have a personal policy on adding families to personal social media accounts due to their professional philosophy, and that the Service does not recommend staff to have families as friends on their private account.

If adding families to personal social media accounts, educators will adhere to relevant policies, including the Code of Conduct of the Service.

### CONSEQUENCES FOR INAPPROPRIATE CONDUCT

For inappropriate conduct to be considered unlawful, it is necessary to demonstrate a connection between the behaviour and the employment relationship that:

- is likely to cause serious damage to the relationship between the employee and Service
- damages or harms the Service's interest or reputation

## COONARA EARLY LEARNING CENTRE POLICY NO: 63

- is incompatible with the employee's duties in the education and care sector.
